

Benefits of Membership to the PDSC

Membership to the **Palouse Discovery Science Center** is available to families and persons interested in informal science education. Here are some of the benefits:

- Admission to the PDSC during our open hours
- 10% Discount on purchases in our 'Curiosity Shop' science store
- 10% Discount on birthday parties, camps, and programs
- Invitation to "Members Only" Events
- Admission to more than 340 ASTC Passport Program Member Science Centers and Museums Worldwide – see www.astc.org for more info.

You can complete the form below and send it in with your check to our address, bring it with you to the PDSC, or call and give us your credit card information over the phone.

Your support matters to us! Many of the grants that are allocated to us do not provide for the basic operations of the PDSC. We rely heavily on donor support and membership dues for our overall operations. Please take a moment to consider donating; *even small contributions make a big difference!*

**The Palouse Discovery Science Center:
your regional hands-on, minds-on science center!
Thank you for your continued support.**
